

# NP-EWS

## Elkay Compatible Filter Cartridge

The Neo-Pure NP-EWS Elkay™ 51300C Compatible Replacement Filter is a cost-effective alternative replacement for Elkay™ water coolers, drinking fountains, bottle fillers, classroom bubblers and cold water dispensers. It makes water safer, purer, and more delicious by filtering out contaminants like chlorine taste and odors, lead, and any harmful cysts from your drinking water. The NP-EWS is a quick and easy installation for better tasting water. This filter has a 3,000 gallon capacity as well as a 1.5 gallon per minute flow rate. Replace the cartridge every 12 months to ensure proper filter performance and continued reduction of contaminants. The cartridge capacity may vary according to flow rate, inlet line pressure and local water conditions, which may require more frequent cartridge replacement.

- Prefilter polypropylene mesh prevents clogging by catching larger particles
- Reduces lead, heavy metals, discoloration and eliminates bad taste and odor
- Compatible with the Elkay™ Water coolers, drinking fountains, bottle fillers
- Replacement for Elkay™ 51299C and 51300C
- Quick change design for easy installation

## Elkay Compatible Filter Cartridge

## PRODUCT

Part Number	Dimensions	Micron (Nominal)
NP-EWS	3-1/2" x 11-1/2"	0.5 $\mu$

**PLEASE NOTE:**

Do NOT use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system. The contaminants or substances reduced by this filter are not necessarily in your water.

## FEATURES

**Great-Tasting Water:** This cartridge effectively reduces lead, heavy metals, discoloration, and eliminates bad taste and odor.

**Easy Installation:** This filter features an easy and quick installation process. With its quick change cartridge connections, you will have clean water in minutes.

**Safer Water:** The Neo-Pure NP-EWS will reduce any harmful cyst, such as cryptosporidium and giardia, from your water, keeping you safe from water-borne illness. It also reduces lead.

**Advanced Sediment Reduction:** Pre-filter mesh, made of spun polypropylene, catches larger particles and sediments from clogging and entering the main filter.

**Filter Applications:** The Neo-Pure NP-EWS removes several contaminants, such as lead and cysts, keeping your water clean and great tasting.

**Made in the USA:** The Neo-Pure NP-EWS Replacement Filter is proudly made in the USA.

## REPLACEMENT FILTER FOR:

**Elkay™ 51299C:** Used in the Halsey Taylor HWF172 filter system and the Elkay™ EWF172 filter system.

**Elkay™ 51300C:** Used in ezH2O bottle filling stations and with EWF3000 WaterSentry Plus systems.  
3000 gal CTO/Lead.

**Elkay™ WSF6000R:** WaterSentry Fresh 6000 CTO Replacement filter for premium water dispensers.  
Optional for select bottle filling stations, coolers and fountains with WaterSentry systems 6000 gal CTO.
