SMART LEAK DETECTOR

Detect leaks instantly with the Rusco Smart Leak Detector. This leak detector connects to your Wi-Fi to send notifications to your device or automate actions like closing a Rusco Smart Ball Valve (sold separately).

KEY FEATURES

- ▶ Connects to Rusco SBV to perform automated tasks like shutting off valve if alarm is triggered.
- ▶ Will notify you via the SmartLife app if alarm is triggered.
- ▶ Small and lightweight

SPECIFICATIONS

Material: PC
 LED Indicator: Red
 Battery: (2)AAA
 WiFi Frequency: 2.4 GHz
 Wifi Standard: 802.11b/g/n
 Size 80x30x27mm

EASY-TO-INSTALL

Rusco's Smart Detectors are small, lightweight and are powered by two AAA batteries so they are really easy to install.

GET NOTIFIED

The Smart Leak Detector will notify you via the SmartLife App when a leak is detected. So even if you're not home, you still know where a leak has been detected.

Smart Life

Compatible with Alexa/Google Home

Rusco is a leading manufacturer of high quality, efficient, water sediment filtration products and accessories. Rusco filters are available throughout the United States and in many major international locations.
