

EV4339-25

# Clariss Single Head

Filter head with 1/4" QC fittings exclusively for Clariss replacement cartridges

Clariss Single Head: EV4339-25

## BENEFITS

Commercial quality filter head is designed exclusively to fit Clariss filter cartridges

Solid durable construction is ideal for foodservice and vending applications

Engineered for durability, strength and longevity

Will not corrode

## HEAD FEATURES

- Built-in flush port
- Auto shut-off
- Adjustable by-pass

## INSTALLATION TIPS

The system can be operated freestanding, lying horizontally or mounted vertically

If mounting vertically to a wall, securely connect the mounting bracket to the wall using suitable screws

Water pressure at the filter system inlet must not exceed 116 psi (8 bar). A pressure reducer valve must be installed on the water supply side of the filter system if the inlet pressure exceeds 116 psi (8 bar)

Shut off valve must be installed upstream of the filter

Refer to Installation, Operation & Maintenance Manual for cartridge flushing and RO start-up

## OPERATION TIPS

Change Clariss cartridge when its pre-calculated water volume has been reached or at least once a year

Change cartridges when capacity is reached

Always flush the filter cartridge at time of installation and cartridge change

Do not use hardness test strips to check for hardness reduction, please use Titration kit to check for hardness reduction

## APPLICATION/SIZING

The CLARISS filter systems are typically used to feed the following appliances:

- Coffee and Espresso Machines
- Hot drink vending machines
- Combi steamers and self-cooking systems
- Steam cookers and ovens
- Brewed Iced Tea

The systems can be operated horizontally or vertically, depending on the space available

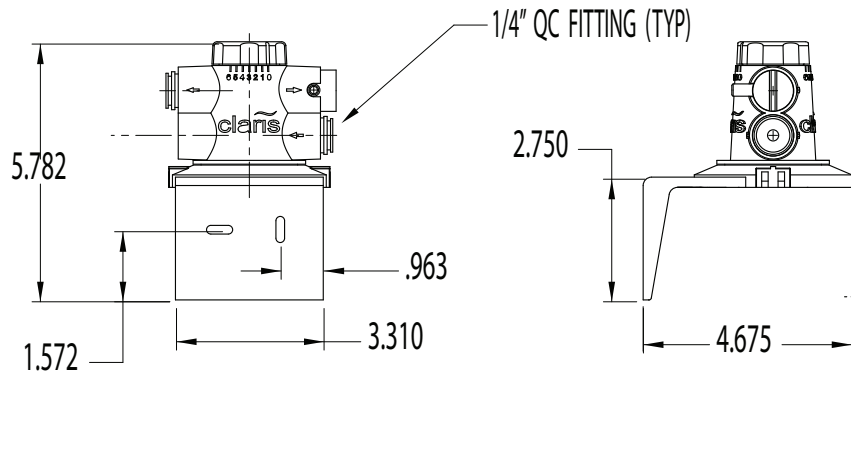

# Claris Single Head

## SPECIFICATIONS

### Dimensions:

5.78"H x 3.31"W x 4.68"D

No electrical connection required

## WARRANTY

Everpure Claris water treatment systems are covered by a limited warranty against defects in material and workmanship for a period of one year after date of purchase. Everpure replaceable elements (filter cartridges and water treatment cartridges) are covered by a limited warranty against defects in material and workmanship for a period of one year after date of purchase. See printed warranty for details. Everpure will provide a copy of the warranty upon request.
