

Ultra S Bottle Cooler

Modern Design and Technology

Features:

- Continuous delivery of chilled still and sparkling water
- Provides 22x6 oz. cups of Co2 cold water per hour
- Water carbonation level at 3.2-3.5 volumes similar to leading bottled brands
- Can accommodate up to a 5lb CO2 cylinder (not included)
- Electronic controls ensure easy to start up and consistent water flow
- LED lighted color coded activation buttons for simplicity of use
- Stainless steel reservoir and hot tank
- Durable drip tray with auto-drain option
- Handles for easy transport and placement
- WaterGuard® 7 system eliminates spills during bottle changes and reduces the chance for dust and dirt to enter the cooler reservoir
- UL Listed
- 5 year limited warranty

Sparkling Water

Models:

- Hot N' Cold - BU1PVECHS

Ultra S Bottle Specifications

Cabinet: ABS plastic top and front with removable metal side panels

Cold Water Refrigeration Unit: Convection cooled condenser. Internal, spring mounted, hermetically sealed compressor with automatic overload protector requires no lubrication. Refrigerant is controlled by a capillary tube.

Cold Water Thermostat: Temperature is controlled by an adjustable thermostat and easily accessible on the rear of the unit.

Two-Piece Hot Water Tank: Energy-efficient tank is constructed of type 300 series stainless steel. The 500 watt heating element can be replaced on site, reducing time and service costs. Two-piece hot tank is easy to replace or service without breaking soldered refrigeration connections.

Hot Water Capacity: 45 x 6 oz. cups of piping hot water per hour. 1 1/2 quart storage tank.

Hot Water Thermostat: Fixed thermostat with safety limiter.

Drip receptor: Durable dishwasher safe drip tray lifts out for easy cleaning.

Electrical: 115 volts, 60 hertz. 1/20 hp water cooler compressor. Three wire service cord & polarized plug.

Dimensions: W 12.5" x D 15.9" x H 44.3"
Approximate Net Weight: 73 Lbs.

Lead-Free: Components in the water cooler are lead-free as defined by the Safe Drinking Water Act Amendments of 1986 and the Lead Contamination Control Act of 1988. Model listed by Underwriter's Laboratories to U.S. and Canadian Standards.

Warranty: Limited 5-year warranty (within the Continental Limits of the U.S. and Canada). Three years on the sealed refrigeration system, one year on most component parts. Detailed warranty certificate enclosed with each cooler; sample copy available upon request.
