THE WORLD'S MOST DANGEROUS PLACES  
 BY DAVID ALMOND  
 (PENGUIN)

THE WORLD'S MOST DANGEROUS PLACES is a collection of 100 of the most dangerous places on Earth, from the Amazon rainforest to the Great Wall of China. The book is written in a simple, accessible style, making it a great read for anyone interested in geography and travel. The author, David Almond, is a well-known travel writer and has written several other books on the subject. The book is divided into 10 sections, each focusing on a different region of the world. Each section contains 10 entries, each with a short description of the location and why it is considered dangerous. The book is a great resource for anyone looking to explore the world's most fascinating and perilous locations.

Region	Location	Why it's dangerous
