AQUA BAR II specifications

Sleek, modern water cooler with features for every environment

Cabinet: Modern cabinet design accented by charcoal gray or satin silver accent trim with either a carbon fiber look or marble style panel depending on model. Sleek injection molded ABS plastic top and front with removable metal side panels. Pre-drilled holes on cabinet side for simple cup dispenser installation.

Water Dispensing System: Easy to use buttons located on front display panel for tri-temperature dispensing of hot, cold and room-temp water. Large faucet alcove for filling large reusable containers.

Cold Water Refrigeration: Convection-cooled condenser, internal spring mounted hermetically sealed compressor with automatic overload protector.

Cold Water Reservoir: Four gallon, 300 Series stainless steel tank with external copper refrigerant coil encased in molded foam insulation.

Hot Water Reservoir: 33.8 ounce, 300 Series stainless steel tank with 450 watt element.

Hot Water Safety Faucet: Safety faucet button requires a two-step action to prevent accidental dispensing.

Drip Receptor: Durable drip tray lifts out for easy removal and is dishwasher safe.

Lead-Free: Components in this water cooler are lead-free as defined by the Safe Drinking Water Act Amendments of 1986 and the Lead Contamination Control Act of 1988. Model Listed by Underwriter's Laboratories to U.S. and Canadian Standards.

Dimensions: W 12 3/4" x D 16 3/4" x H 45 1/3"

Approximate Net Weight: 50 lbs.

Optional Water Filtration and Reverse Osmosis:

Aqua Bar II Standard is Filter and Reverse Osmosis (RO) ready, Aqua Bar II Deluxe and Ultra are Filter and RO ready and available with the OASIS three-stage green filter™ system or with RO.

Cabinet Features: Carbon Fiber-Look panel comes with the Standard model, Marble-Look panel comes with the Deluxe and Ultra models.

Warranty: Limited 3 year warranty (within the Continental Limits of the United States and Canada). Three years on the sealed refrigeration system, one year on most component parts. Detailed warranty certificate enclosed with each water cooler; sample copy available upon request.
